

PRESS RELEASE
AUGUST 2008

**LONE MOUNTAIN ARTISTS
Present**

“Visions of Nature”
Sept. 10 - Oct. 10

A collection of paintings and drawings depicting the New Hampshire landscape, its plants and animals will be on display at the Harris Center for Conservation Education.

Using a variety of media, each artist captures a unique interpretation of the Monadnock region. Through this exhibit, the artists hope to promote awareness and appreciation of the natural beauty and fragility of our remarkable NH landscape.

***Lone Mountain Artists* will donate a percentage of each sale to the Harris Center to assist them in their work towards conservation education.**
